Want Restrictions Removed.

Naples, October 5.—The Italian government is endeavoring to have removed the restrictions placed against the entry of Italian immigrants and products to the United States, because of the cholera in this portion and other places in Italy. The Marquis Di San Giulano. Minister of Foreign Affairs, has informed the authorities here that instructions had been sent to the Italian embassy at Washington to bring the matter to the attention of the American government. The American embassy at Rome has been asked to use its offices as far as possible to secure an arrangement to this end.

Cases on Steamer.

Marseilles, October 5.—While reports that chelera had been discovered in this city were officially denied yesterday, an official statement was issued last night that three cases among the passengers on the steamer Bosphore, now in port, had been found. The Bosphore arrived from the Orient and has been quarantined. Sanitary officials immediately took charge of the cases, which were isoveed as well as all passengers who has been in contact with the disease.

Guthrie, Okla, October 5.—The State Corporation Commission 9, saterday an-nounced a reduction of reles in Okla-homa on classes of commodities all the way down from 22 to 35 per cent
